

## NEW GENERATION RESIDENCY 2024 Call for applications

Schöne Aussicht 2024 - International and regional theatre festival for young audiences  
8th to 15th of June 2024 at Junges Ensemble Stuttgart/ Germany

### **NEW GENERATION RESIDENCY 2024: Call for applications**

Every two years Junges Ensemble Stuttgart (JES) hosts the festival SCHÖNE AUSSICHT.

On the one hand it's a showcase of ground-breaking international theatre for young audiences worldwide in Stuttgart. On the other hand it's a platform for regional theatres working in this field, to share their work and develop their artistic and communicatory practise.

10 international performances and 8 shows from the region of south-west Germany will form the artistic festival programme in 2024. Talks with theatre professionals from different continents and other exchange formats fulfil the festival experience.

### **NEW GENERATION RESIDENCY 2024**

We invite 10 people (18-35 years) to participate in the NEW GENERATION RESIDENCY 2024.

The scholarships address young artists of the performing arts (dramaturgs, directors, actors, puppeteers, dancers, performers, stage and costume designers, musicians or theatre educationalists) with specific interest in theatre for young audiences.

The New Generation residents will partake in the whole festival programme, watch different performances, reflect and discuss what they have seen, share questions and thoughts on the theatre for young audiences with established theatre makers, experience a week full intense discussions, delicious food, excursions and flittering celebrations.

### **What's part of the scholarship?**

Tickets for the performances in the festival, accommodation during the festival (shared rooms in a hostel), food at the festival centre, partial subsidy for travel expenses (max. 100€ p.p.) and coordination and coaching by an experienced theatre maker. The working language will be English.

### **Conditions**

You are between 18 and 35 years old. You work or study in the performing arts and have an interest in theatre for young audiences.
